Preserve the reefs through Sustainable Tourism

We, Satun C.P.S. Travel Company, realize how important the nature is for People, Society and the World.

Please contact : Ms.Auu/Jasmine Mobile : +66(0)89 464 4936/ Email : satuncpstravel@yahoo.com

Therefore, we have been operating and providing service with preserving manner towards the Sustainable Tourism.

What we should do: We do care the environment and nature. Please join us not to litter any rubbish, especially non-compostable wastes on the beach or into the sea, not feed animals or fish, not handle marine life for Photo, not collect, destroy, break or step on the coral. Together we can sustain our beloved nature for next generations. Thank you very much ^^

***** Experience the very wholesome nature and the beauty of the underwater world at Koh Lipe. . . . Are you ready??? *****
